

The Chanhasen Lions are proud to announce our 30TH annual charity golf tournament on Monday, July 16, 2018 at the Island View Golf Club on Lake Waconia.

Refer to our website: <http://chanhasenlions.org>

The proceeds of this year's event will benefit several of the charitable associations supported by the Chanhasen Lions Club. Examples are listed but there are many more!

- Can Do Canines
- MN Lions Vision Foundation / Lions Gift of Sight

Your \$200 New or \$150 Renewal Hole Sponsorship Includes:

- Hole sponsor signage (22"x18") with your custom message
- Dinner for (1) at awards reception following event
- Opportunity to set up a table on the course for more player interaction. This gives your business representative additional face time with over 100 active members of our community
- Your contribution will be recognized at the event
- Your business will also be listed in an annual newspaper ad that will be published in the Chanhasen Villager to thank all sponsors

We are also looking for prize donations. During the tournament we host a Silent Auction and the proceeds from this event are also used to support our list of charitable associations.

Thank you in advance for your support of the 2018 tournament!
